Abbreviate throughout. It's a presentation, and space is at a premium. Everyone will know the abbreviation, which is spelled out in the teleconference notice.

Quick question: Any strong feelings about whether I spell out benzo[a]pyrene throughout the presentation or whether it is fine to state the abbreviation up front and then just refer to it as BaP? TMBs used the abbreviation throughout.

Subject: RE: BaP: dry run of chemical overview presentation for the public peer review teleconference

Hi all, thanks for all your great comments during Monday's mark-up meeting. Attached I have a revised version of my slides with a few embedded comments for you. I hope I have (at least mostly!) addressed your comments.

Please let me know if you have additional suggestions. Please send your comments by tomorrow afternoon if possible as I believe we need to send this off to SAB by tomorrow or Friday.

Thanks!

-Kathleen
